Dear Dr Weiss

Thank you very much for your recent letter, and for your interesting book.

I have only yet had the opportunity to skim through your work, but it seems to me to admirably address the most common question posed when departure from time billing is proposed – namely, the question of identifying practical and workable alternatives.

When time permits, I will give much greater attention to your book. I remain very grateful to you for bringing it to my attention.

Yours sincerely

A handwritten signature in blue ink, appearing to read 'W Martin', with a horizontal line underneath.

The Hon Wayne Martin
Chief Justice of Western Australia
